Pam and Carrie,

This message just came in from National today, and I sent a congratulatory message to Bill Kinsey who I am sure did far more than anyone else, anywhere. I should have included both of you when I sent it to Bill.

Best Regards, Tom

Bill,

I just got a listing of all Voice to Congress calls made to Members of Congress. Pacific Central Region had more Voice to Congress calls than any other region, and YOU had more to Congressman DeSaulnier than anyone else in the entire Navy League. Calls to Mike Thompson are close and there is a congressman somewhere in the South Atlantic who is also getting a lot of calls, but YOU are the very best in the entire Navy League at advocating to congress.

You may find this surprising, but do you know what else is surprising? That I am NOT surprised!!

Keep up the good work

Best Regards, Tom

Happy Friday!

In addition to a quarterly report on all the actions taken by our grassroots advocates in every region which will be sent out the first week in October, Tom Winant asked us to put together a report detailing the messages received by all members of congress year to date.

I have attached the file for you. These numbers represent the messages received by members since July 9 when our new advocacy platform was launched.

Best,

Ryan A. Simon
