

Hi folks:

Jim Harwood and I called on the ANTS Station Cmdr and his XPO today. We, our Council, had tentatively scheduled the ANTS B-B-Q for June. Well, we determined that it would be better for the unit if we had it the week of July 4. We have set a date of July 7th. We trust you can all be available on that date.

We also learned that YBI has a deck and B-B-Q pavillion right down on the bay. There are grills and tables available and a great view. The ANTS station commander is checking to insure that they can reserve that date for our cook-out. We have invited the unit personnel and families to attend, some 30 people. They would prefer to have us bring the goodies and do the cook-out rather than having the dining facility cater it.

Please reserve July 7th on your calendar for this event. More details to follow.

Best Rgds, Jim
