## **How About A Picnic With ANTs!?!?**

**We are planning a picnic with OUR ANTs at Yerba Buena Island's recreation area on the water overlooking the Bay Bridge project. Cool!**

**(Follow detour signs on Yerba Buena Island which say "Coast Guard")  
Don't be discouraged by bridge construction area along the way/**

**When: Thursday, July 7<sup>th</sup>**

**Time: 1100 (That's 11 a.m.)**

**Why: Fresh air and visit with our ANTs,  
NL camaraderie and good food.  
YBI has a new look to it, also.**

**Price: \$10 per person for good lunch and  
to host our Coast Guard friends.**

**This year we are changing venues from Discovery Bay to YBI. Discovery Bay is overwhelmed by invasive marine growth which is fouling vessels' engines.....not a pretty situation!!**

**NOTE: Photo ID needed for all persons & Vehicle reg./insur.**

.....  
**Deadline for RSVP.....Friday, July 1, please!!!**
