The Navy League of the United States was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps. Whether you ever served in uniform or not, we invite you to join us today. Our mission, "Citizens in Support of the Sea Services," reflects both our commitment and our broad appeal to everyone concerned with support for our men and women in uniform. Join us in supporting the men and women of our Navy, Marine Corps, Coast Guard and U.S.-flag Merchant Marine.
