Good day,

I apologize for not reaching out much sooner, but we'd like to invite you all to celebrate with us on November 18th. We are renting a 292' Hornblower yacht and will spend the evening cruising the SF Bay.

Unfortunately, this would require semi-quick action, as I have to have my numbers solidified by next Friday, Nov 3rd.

Please follow this link to the e-vite and let me know if you'd like to join us or if you have any questions.
