

USNSCC- Diablo Squadron & TS Lorraine Hughey

June 2014

Issue 2

Drill -This month our newest Instructor Mr. Stephen Pult lead the unit in a “Scaling Warrior” program where cadets ruck marched down to their training site at Bunker City (Near Fort Baker) San Francisco, CA. The cadets were taught proper tying of a “Swiss Seat”, rappel and climb commands. Each Cadet conducted 3 80-foot rappels and 3 80-foot rope climbs, traversed a single rope bridge using the commando crawl and monkey crawl, climbed a single rope with Swiss seat, and worked out Team Leadership reaction problems.

Graduations- Congratulations to CPO Rebecca Whitman and PO1 Brandon Chang on their graduation from High School.

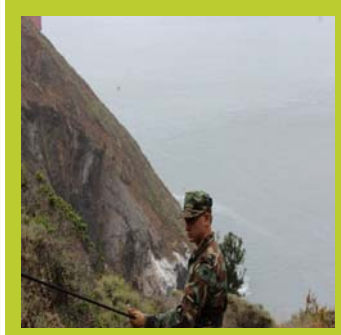

We wish you both much success in your future endeavors!

Summer Trainings- The month of June kicked off with the first wave of cadets attending their summer trainings. Cadet learned basic and advanced scuba, public safety marksmanship, medical field operations and seamanship.

More trainings in July to follow including an International Exchange.

Welcome aboard- To our newest instructors Smith and Tanyag and to our newest cadets Rahsaan Butler and Kegan Downie.

Scaling Warrior Training- Bunker City, San Francisco

Congratulations Cadet Chang on your promotion to PO1
