

Diablo Squadron Training Ship Lorraine Hughey

September 11, 2017

United States Naval Sea Cadet Corps Supporter:

I am writing to request your financial support for Diablo Squadron and Training Ship Lorraine Hughey. The U.S. Naval Sea Cadet Corps challenges your area's young people to test their limits, enhance their experience on land, on the water, and in the air. With your help Contra Costa youth aged 10-18 will be afforded many opportunities that they will never forget, regardless of their financial ability.

The cadets come from all over Contra Costa County. They come together to drill two days a month, and train at camps during winter and summer breaks.

We have six cadets enrolled that are in the Foster system. To continue in the program financial aid is needed. Below I have listed the cost for a cadet to fully participate in the program for a year.

Enrollment: \$250.00(includes National fee, uniforms, awards earned and unit activates throughout the year)

Sea Cadet Recruit Training: \$ 300.00(two-week training)

Navy League Orientation: \$150.00(one-week training)

Your donation can help provide these cadets an opportunity that will make a lasting impact on their lives.

Sincerely,

LTJG Julie Whitman, USNSCC
