***A Wounded and Recovering Veteran Needs Your Help!***

The Veterans Memorial Golf Tournament Committee of Lafayette announces their Ninth Annual Golf Tournament in support of the multi wounded military and veteran patients being treated at the VA's Polytrauma Rehabilitation Center in Palo Alto, CA.

Several years ago our committee learned of the Polytrauma Center and the vital services it renders wounded military and veteran personnel who sustained traumatic wounds during the fighting in Iraq and Afghanistan. This Center is one of five in our country and is dedicated toward the specialized treatment of patients from the Western United States.

The Palo Alto facility has two efforts underway to support these injured patients and their families. One is to help mend the patient but also to support family members with transportation, lodging and related expenses incurred while visiting or participating in the rehabilitation efforts for their service family member. In the past eight years we have raised over \$238,000.00 towards supporting these family members.

**On Monday, September 15, 2014,** our Ninth Annual Tournament fundraiser has been scheduled at the beautiful Moraga Country Club, 1600 St. Andrews Drive, Moraga, CA 94556.

Here's where you can be part of the continuing success of this worthy project. We need Sponsors!

Three Levels of Sponsorship are available:

**Gold Sponsor (\$500.00)** allows for us to place exclusive signage of your company or personal commitment at a specific tee box. Additional acknowledgement will be made during our dinner and on our printed program.

**Silver Sponsor (\$300.00)** Acknowledgement will be made during our dinner and on our printed program.

**Bronze Sponsor (\$100.00)** Acknowledgement will be made on our printed program

For these brave military personnel and their families who have given so much, please support our efforts by contacting us with a tax deductible sponsorship or other monetary donation. Checks should be made out to Veterans Memorial Golf Tournament or VMGT. We are including a Tournament Application for your consideration.
