

Hi folks: The two Sea Cadet units we sponsor are having an awards ceremony on Saturday, June 18th. Lorraine Hughey, Bill Kinsey and I are going to attend the ceremony. You will recall that we talked, at our last Board mtg, about the units receiving national recognition based on the results of their annual inspection.

We would like to invite other Board members to join us. We will meet at 3:15pm at the flag pole in front of the Veterans Memorial Hall in Martinez. It's located at 930 Ward Street.
