

Northern California Coast Guard Officers Association

Admiral William Eisenhardt
President
California Maritime Academy

Event Summary

Join us for another great CGOA gathering with our featured speaker from California's outstanding maritime academy..

Cal Maritime is the only maritime academy on the West coast and produces the vast majority of maritime officers and maritime professionals who are working in the ports and industries of our operating area.

President Eisenhardt is a 1966 Naval Academy graduate, serving during the Vietnam War as a Naval Flight Officer. He earned a graduate degree at Duke University and was awarded an honorary doctoral degree by Maine Maritime Academy for his work in maritime education.
