Greetings Contra Costa Board mates,

Legislative Affairs activity report follows:

1. Voice to Congress call to action forwarded to Contra Costa Council members on 11/4/17 regarding Jones Act and Budget Control Act issues affecting the U.S. sea services.
2. USN Legislative Affairs presentation: currently searching for a suitable venue within CA-11, completion date scheduled for no later than 12/31/17.
3. USCG Sector SF personnel commute traffic issue: ongoing work with council president and unit liaisons.
4. CNO report on separate collisions involving USS John S. McCain and USS Fitzgerald: link sent to the council's webmaster Bruce Clegg, and is available here for your review: <http://s3.amazonaws.com/CHINFO/USS+Fitzgerald+and+USS+John+S+McCain+Collision+Reports.pdf>. While not specifically a legislative affairs matter, it came to me via the LA communication chain, and no doubt will be a topic of conversation in future legislative affairs presentations.

Very Respectfully,

Bill Kinsey
